WHY SHOULD YOU SEND YOUR CHILD TO CAMP CONCERN?

Camp Concern strives to offer a safe, away-from-the-world environment where campers are provided with opportunities to praise and worship God, time for recreation, and so much more. Camp Concern is staffed by Christians who volunteer their time because they love to teach and serve God's children. Camp Concern has implemented a nationally recognized Child Protection Plan for the safety and protection of campers in every aspect of camp life. Camp Concern is a great place to make lifelong friends and to create memories that will last a lifetime.

Perhaps nothing speaks more to the value of Camp Concern than the countless lives that have been changed. The most significant change of all is witnessed by the many who have committed their lives to Christ because of camp and by the others who have grown in their relationship with the Lord while at camp.

WHAT YOU NEED TO KNOW

ENROLLMENT FEE

The total cost, including insurance:

- \$15.00 for the College Age Retreat
- \$50.00 for all other camp sessions

The registration fee is \$10.00 (this will be applied toward the total cost), and this fee will only be returned if the prospective camper is unable to attend because of illness. An additional late fee of \$10.00 will be assessed if the registration is postmarked after June 25, 2022, for Senior Week and Secondary Week, and after July 9, 2022, for Junior Week. We are able to accept only a limited number of campers each session, so early registration is encouraged.

HEALTH AND SAFETY

Every precaution will be taken to ensure the health and safety of each camper. A nurse or camp health director will be on the campsite, and a hospital is located 20 minutes from the campsite.

Every camper must present the required medical form which must be SIGNED BY HIS/HER PARENT OR LEGAL GUARDIAN.

FINAL BULLETIN

A final bulletin and the required medical form will be mailed to all who register. The bulletin will provide directions to the campsite, a list of necessary equipment, the camp's rules and dress code regulations, and other important information. Please read the final bulletin carefully, as it will contain more complete information than can be provided in this brochure.

AGE OF CAMPERS

To be eligible to attend a particular week of camp, a camper must be the appropriate age by the final day of the week that he/she plans to attend. A camper who wishes to enroll in a week in which he/she is not the appropriate age must receive permission from the appropriate Camp Director, and then he/she may be accepted on a conditional basis.
